Please follow the guidelines below before submitting your video recording, and make sure you carefully follow these rules, as failure to do so may result in you being disqualified.

1. Please record the piece(s) for each class in one video – i.e. if you participate in more than one class, you will need to record a separate video for each class.
2. All introduction procedures (optional) AND full performance must be done in **one take**; cuts and editing are **strictly prohibited**.
3. The camera needs to be still throughout the recording; camera movements and zooming in and out are prohibited.
4. In your video recording, your full body (bodies) must be visible, within the frame of the camera, during the entire performance.
5. Please upload your recording(s) to Google Drive. Click the “Get links” button, change the settings to ‘Anyone with the link’ in the General Access, and send us the link as required. **If your video(s) become listed on the other media platform before the result announcements, you will be disqualified.**
6. Please make sure competition initials (eg. AIPGP, HKIPIC, etc), class number, contestant’s full name, full piece title and composer are clearly stated in the title of your video. Example: AIPGP, Class 8, Amy Smith, Sonatina Op. 36, No.2, 1st Movt, Clementi.
